

Since 1979, we've worked to mobilize Florida's communities to maximize access to federal, state, and local food and nutrition programs with a focus on our most vulnerable populations.

WE IMPACT POLICY

WE ADVOCATE

WE DO OUTREACH

WE INCREASE PARTICIPATION

Our Outreach & Advocacy Focus:

AFTERSCHOOL MEALS

The Child and Adult Care Food Program, At-Risk Afterschool Meals Program, is a federal nutrition program that offers reimbursement for meals served at community afterschool enrichment sites.

SCHOOL BREAKFAST

The National School Breakfast Program makes it possible for all school children in the US to receive a nutritious breakfast every day at school.

SUMMER BREAKSPOT

Provides free meals and snacks to all children when school is out during the summer. Local governments, school districts, and nonprofits sponsor these free summer meal sites found in communities.

COMMUNITY ELIGIBILITY PROVISION (CEP)

CEP allows high-poverty schools to offer both breakfast and lunch at no charge to all students, thus eliminating the traditional school meal application process for schools.

FARM TO LEON COUNTY SCHOOLS

This program brings fresh produce from local farms to Leon County school cafeterias, along with nutrition education and school gardens.

FLORIDA HEALTHY RETAIL

We work with local small business owners to bring fresh, nutritious, affordable foods into areas without enough access so that residents have the option to make healthier choices.

FLORIDA FOOD ACCESS WORK GROUPS

We work to identify the needs of our communities and educate about the safety net programs available to them. So far, our focus areas include Madison, Homestead, Orlando, and Tampa.

SUPPLEMENTAL NUTRITION ASSISTANCE PROGRAM (SNAP)

SNAP is a federal program that supplements the food budget of low-income families and individuals so they can purchase enough to eat. Through outreach we increase access to SNAP and educate the public on the full extent of their benefits in Florida.
